Summary: What happens when Jou and Gomamon get flushed down the potty? I dunno!

1. Default Chapter Title

One day, Jou said to Gomamon, "Hey, let's go on an adventure!"

>So they walked to the International House of Eggos and ordered some Poop-flavored Eggos and
Mexican Water on the side. Jou and Gomamon had to go to the little boy's room so they ran into >the little boys room. It was smelly and a girl yelled "EEK! I'm NAKED!!!" as she covered herself.
Jou sat on the potty next to Gomamon's stall. Gomamon went on the floor near the door and an old

>chap slipped on it and flew into the wall. Jou tried to flush the potty, but it pulled him and
Gomamon in! Gomamon then said "STINKY-BUTTS! AHHHHHHH" and Jou saw little TurdAgumons and

>TurdGabumons float around their heads. Then one blew up in Jou's face. Gomamon said Ha Ha but one
blew up in his face! Gomamon and Jou were in Digimon Poopland and they went on a ride called the

>"Farting Poo Missile" and it shot them to a castle. They walked in, and Mimi, Sora, Hikari, and
Miyako were booty-naked! Both of them said "AHH!" and ran around in circles. This was the Playdigi

>mansion as naked Lillymons swam in poop. Jou and Gomamon said "Ahh!" and ran through a wall. The
ran and ran untill they met the Digipoo Kaizer, Smelltoru Itchybooty and his Poomon. Poomon killed

>Gomamon, but Gomamon ressed autoishly and killed Poomon. Smelltoru died when he took a nice sniff
of the autumn air. Jou and Gomamon said "Yay" as they skipped merrily into the sunset. But, hark!

>They went into another Crazy Portal! What's gonna happen to them in their NEW destination, hmm?
STAY TUNED!!!
